(c) If the finals can't be played the winner/s would be the team leading on points/defensive average at the end of the round.

10. EJECTION OF PLAYER/OFFICIAL FROM A GAME FOR OFFENSIVE CONDUCT OR LANGUAGE

10.1 An officiating umpire may eject a player or official for offensive conduct or language any time during a game.

10.2 Should any player/official be ejected from a game for offensive conduct or language, the umpire(s) concerned shall submit a written report to the SQI Representative immediately at the conclusion of the game in question. (Forms available from the SQI Rep)

10.3 Any player/official ejected from a game for offensive conduct or language ("the ejected person") shall automatically receive a one (1) game suspension from the team's next scheduled game, and shall appear before a Tribunal comprising the SQI Representative (as Chairperson), Umpire In Chief and an independent Tribunal person appointed by SQI.

10.4 The Umpire who ejected the ejected person shall also be in attendance at the Tribunal hearing.

10.5 The SQI Representative shall advise the ejected person and the umpire concerned of the time and place for the Tribunal hearing which shall be conducted as close to the end of the game in question as is possible.

10.6 At the Tribunal hearing the following procedures shall be adopted.

10.6.1 The ejected person and the reporting official(s) and their respective advisors (if any), shall be notified of their right to remain in the hearing until all evidence is presented but not to be present whilst the Tribunal considers its findings and determines an appropriate penalty (if any).

10.6.2 The ejected person and the reporting official(s) may be accompanied by an adult advisor but not by a legal representative.

10.6.3 Where a person exercises their right to have an adult advisor present in accordance with this Ground Rule, an opportunity for consultation shall be provided.

10.6.4 The charge(s) as contained in the report shall be read out in the presence of all persons eligible to be present.

10.6.5 The reporting official shall be asked whether the charge correctly represents their intention and the ejected person shall be asked whether the charge is understood.

10.6.6 The ejected person shall be asked whether or not they intend to contest the charge(s).

10.6.7 If the ejected person does not contest the charge(s), the Tribunal chairperson may read a short summary of the facts, admit the reporting official's written report into evidence and no witnesses need be called to give evidence unless the Tribunal requires it.

- 10.6.8 If the ejected person contests the charge(s), then the Tribunal chairperson shall ask all witnesses except the reporting official(s) and the ejected person (and their respective advisors if appointed in accordance with this Ground Rule) to leave the room and to wait to be called to give their evidence.
- 10.6.9 The reporting official's report shall be tendered as the reporting official's evidence and the witnesses of the reporting official(s) shall be called upon to give his/her evidence in turn, subject to the approval of the number of witnesses to be called by the Tribunal in its discretion. The ejected person or his/her advisor may ask questions of the reporting official or any witness called but all such questions must be directed through the Tribunal chairperson.
- 10.6.10 The ejected person shall then be entitled to present their defence. Witnesses may be called subject to the approval of the number of witnesses to be called by the Tribunal in its discretion. The reporting official(s) or their advisor may ask questions of the ejected person or any witness called but all questions must be directed through the Tribunal chairperson.
- 10.6.11 The Tribunal is empowered to question any person giving evidence.
- 10.6.12 Apart from the ejected person and the reporting official (s) each witness shall leave the Tribunal hearing after giving evidence unless otherwise directed by the Tribunal.
- 10.6.13 At the conclusion of all of the evidence and submissions the Tribunal chairperson shall ask the ejected person, the reporting official and all other persons present to leave the hearing room while the Tribunal considers its findings.
- 10.6.14 The ejected person shall then be asked to return to the hearing when the decision of the Tribunal shall be stated and explained to him/her.
- 10.6.15 If there is a further penalty which includes suspension from further games at the Championship, the ejected person shall be advised that during the suspension he/she shall not be permitted to be in uniform, on the bench or in any contact with any member of his/her team while the team is playing. This shall not prevent him/her practising or warming up with his/her team prior to a game.
- 10.6.16 If this is the last game the team is scheduled to play in the Championship the automatic one game suspension cannot be served. The Tribunal should consider if the action of the ejected person warrants a penalty as set out in 11.7.
- 10.7 In addition to the automatic one (1) game suspension, the Tribunal shall have the authority to impose one of the following penalties:
- 10.7.1 no further penalty
- 10.7.2 reprimand the ejected person
- 10.7.3 further suspend the ejected person for any or all of the remaining games in the Championship (the Zero Tolerance Policy should be used as a guideline to determine the appropriate penalty).
- 10.7.4 Where the Tribunal is of the opinion that the conduct of the ejected person may warrant further suspension/disqualification a written report shall be forwarded for consideration of the SQI Chief Commissioner. Should this avenue be determined, the ejected person concerned shall be advised at the time the Championship penalty is imposed.
- Note:** The SQI Representative is to include a written account of any ejection(s) in the Championship Report, and a report of the Tribunal hearing will be submitted to the SQI Chief Commissioner and General Manager for their records
- 10.8 A decision of the Tribunal to impose a penalty under Clause 11.7 shall be final and not subject to appeal.
- 10.9 All ejected persons who are under the age of 18 years at the time of the ejection shall stay on the bench and shall become the responsibility of the Team Manager. Failure to take control of such an ejected person will result in the Manager (or person acting in that capacity) being required to take the ejected person(s) from the dugout and supervise and control the person until the completion of the game.

11. **BENCH**

- 11.1 Smoking and the consumption of alcohol are prohibited in the bench area.
Penalty: Team members will be removed from the game. Failure to comply will result in forfeiture of the game to the team not at fault.

12. PROTECTIVE EQUIPMENT

In addition to Rule 3 Section 6:

- 12.1 (i) Adult male catchers must wear a body protector
- (ii) All adult catchers must wear shin guards that offer protection to the kneecaps
- (iii) Catchers in all divisions receiving warm-up pitchers from the pitching plate, in the warm up area or in their pre-game warm-up area must wear helmet, mask with throat protector, body protector and shin guards which will offer protection to the kneecap.

12.1.1 A warning will be issued at the Manager/Coach Meeting stating the penalty to be imposed for breaking the rule.

The penalty for a first offence will be the removal of the pitcher and catcher from the remainder of the current game or if in the pre-game warm up, then for the next scheduled game.

The penalty for the second offence is the batter and the coach are removed from the game.

Administration of the process: The SQI representative will have overall control. The umpires also have control over the games they have been appointed to both before and during that game.

13. BLOOD IN SPORT and ANTI-DOPING POLICIES

13.1 The Blood in Sport (SAL Infectious Disease Policy) and the SQI Anti-Doping Policy will be applied at State Championships (see attached).

14. PITCHING

14.1 (a) Pitching distances shall be:

Under 15 girls	40ft	12.19m	Under 15 boys	43ft	13.11m
Under 17 girls	43ft	13.11m	Under 17 boys	46ft	14.02m
Under 19 women	43ft	13.11m	Under 19 men	46ft	14.02m
Senior women	43ft	13.11m	Senior men	46ft	14.02m

(b) If a pitching mat is used, it must extend 61cms beyond the front of the pitching circle and 30.5cms behind the pitching plate. If the mat becomes unsuitable during the course of the game it may be removed at the discretion of the plate umpire as predetermined by the SQI Rep, UIC and Championship Convenor at the Coach/Manager Meeting.

15. UNDER 15 PITCHING AND CATCHING

Refer to the SQI Under 15 State Championship Participation and Pitching & Catching Policy

15.1 Pitchers and catchers shall be limited to fifty (50) pitches per game, with the exception of Grand Finals (refer 15.4).

15.2 A pitcher cannot play in the catching position and vice-versa in the same game once they reach their 50 pitch threshold.

15.3 When a pitcher and/or catcher has reached the pitch count limit, that pitcher/catcher must be removed from that position

15.4 The 50 pitch limit does not apply in Grand Finals.

Note: Each team is to appoint a 'pitch count recorder' (PCR). This need not be the team scorer and may be a non-team member. If a non-team member has this role, they must not be in the dugout during the game.

The PCR will use the official record sheet to count the pitches and must provide the current pitch count for their pitcher and/or catcher when requested by either the team coach or plate umpire.

Violation of the pitch count rule: Any District Association deliberately, or on two (2) or more occasions during the same championship, breaching this rule will forfeit their final placing in the Championship. The Head Coach of the District Association team will automatically be suspended from officiating in any capacity at a Queensland Championship for the next 12 month period.

Note: To comply with the catcher speed-up rule, and to satisfy the requirement at the U15 Championships to replace the catcher after they reach the 50 pitch threshold, the coach may advise the plate umpire of the incoming catcher during the offensive innings. This will allow the incoming catcher to come off base to get ready. This change can then officially be advised to the plate umpire in the change of innings without penalty. If there is an appeal for an unreported substitute this is a correctable offence.

16. EQUIPMENT

16.1 Equipment checks shall be enforced at each championship for all teams. Additional checks may be instigated at the discretion of the Umpire In Chief.

16.2 Procedure For Removal Of Illegal Equipment From A Game

1. Game Umpire checks equipment as per 16.1 and removes illegal equipment from the game. The equipment is left with the Team Manager for the remainder of the game. The Team Manager is responsible for ensuring that it isn't used in the game. The Game Umpire notes the removed equipment on the back of the scorecard.
2. At the completion of the game, the Game Umpire takes the confiscated equipment to the UIC who checks it, completes the label which is affixed to the item and signs it over to SQI Rep.
3. The SQI Rep places the confiscated equipment in a safe place, provided by the host association.
4. The Team Manager is responsible for collecting the confiscated equipment from the SQI Rep at the completion of the championship.
5. The Confiscated Equipment Register must be signed by all parties where applicable.

Note 1: Only the SQI Rep has the authority to return the equipment to the Team Manager

Note 2: Should a helmet be removed for 'padding' reasons, the owner of the helmet may repair it under the supervision of an umpire approved by the UIC. After repairs have been completed and the helmet has been deemed legal by the UIC, the owner may sign the item out with the authority of the SQI Rep.

Note 3: Any equipment not collected by the Team Manager at the completion of the championship will be left at the Host Association where it can be collected by the owner or dispatched to the owner at the owner's expense.

 - i) All members of all participating teams shall be present and participate appropriately in the Closing Ceremony
 - ii) Team members shall wear their District Association designated playing or travel uniform closed footwear.

Penalty: Any District Association Representative Team which fails to attend the Closing Ceremony without permission from the SQI Rep, shall receive a fine of \$100.

The District Association Team Manager is responsible for ensuring their team members attend the Closing Ceremony in the correct uniform. Any District Association found to be in breach of this rule shall receive a fine of \$50.

- 19.1 Scorecards to be exchanged fifteen- (15) minutes prior to the scheduled commencement of all games.
- 19.2 The Plate umpire is responsible for the accuracy of the result of the game as recorded on the scorecards of both teams before signing them at the conclusion of each game.

PROCESS AND HANDLING:

1. On Field (The Game) Incidents

Team Members (Players & Officials): The incident is to be reported to the SQI Commissioner and processed as per SQI By-Law 14.3.

Other Official or Umpire: The incident is to be reported to the SQI Commissioner and processed as per SQI By-Law 14.3.

SPECIAL CIRCUMSTANCES – TRAINEE/CLUB APPOINTED (NON-ACCREDITED) UMPIRES AND TRAINEE AND JUNIOR OFFICIALS (COACHES, SCORERS ETC)

SQI does not tolerate abuse of trainee and club appointed (non-accredited) umpires, nor junior and/or trainee officials participating in softball in any capacity. For incidents of abuse involving junior, trainee and club umpires and officials, the penalties prescribed above are doubled and the first offence for P1 is one **subsequent** match.

Teams will be advised at the pre-game meeting or consultation that a trainee or club umpire is officiating at that match.

2. Off Field (Non-Game) Incidents

Registered Participant: Any person witnessing or aggrieved by any unsportsmanlike acts or alleged breaches of codes of conduct/ethics by any registered participant shall report the incident to:

- (a) The District Association Secretary for incidents at the local level and/or
- (b) SQI General Manager (including incidents relating to SQI personnel including representative team/squad members) and/or
- (c) SQI Representative for incidents at a State Championship or SQI conducted events.

Such report should be lodged immediately in person or in writing to the relevant authority. On receipt of the report, an enquiry will be undertaken by a person appointed by the District Association, SQI General Manager or at a SQI Event, undertaken personally by the SQI Representative. A report is to be provided to the relevant authority and the offending party together with any recommendations and/or penalties to be applied.

Parents and Spectators: Any person witnessing or aggrieved by any unsportsmanlike acts or alleged breaches to the codes of conduct/ethics, by any spectator may report the incident to the SQI or District Association official on duty immediately upon witnessing the incident.

The SQI or DA official will investigate the complaint immediately following the procedures as set out in the Spectator/Parent Policy.

3. Harassment/Discrimination Incidents

A person who is aggrieved by the actions of another person in terms of harassment or discrimination shall lodge a complaint as per the procedures set out in the SQI/SAL Member Protection Policy.

DISPUTING AN UMPIRE'S DECISION

Disputing an umpire's decision is not permitted in any circumstance. Questions on interpretation should be quickly resolved or a protest entered. Protracted haggling about interpretation is also not permitted.

SPECIAL PENALTY – TRAINEE AND CLUB APPOINTED (NON-ACCREDITED) UMPIRES

If a team member disputes the decision of a Trainee or Club Appointed Umpire, a Category P2 penalty is applied.

QUERYING AN APPLICATION OF THE RULES

If a team coach or captain believes a decision regarding an application of a rule is incorrect, he/she may lodge an 'Intent to Protest' in accordance with Rule 11 of the SAL Rule Book and/or the District Association or SQI State Championship Ground Rules.

If an umpire is of the opinion that he/she may have made an error, they may seek assistance from the other umpire/s on the game and if necessary, reverse their previous decision.

The process to lodge an 'Intent to Protest' is as follows:

The Coach/Team Captain must **request** "time" and approach the Plate Umpire for formal notification. The Plate Umpire must grant 'time' at an appropriate time in play and follow the procedures as set out in Rule 11. Another umpire and/or opposition team official must be in attendance to witness the notification of 'Intent to Protest'.

TRAINEE UMPIRE - MENTORING

A trainee umpire must have an accredited umpire or DA official (mentor), in attendance at a match either on or off the field to provide the necessary support to enable them to learn and develop without the pressure of being 'left alone' to deal with situations out of their level of experience.

The 'mentor' umpire/official may enter the field of play to assist and/or apply a correct rule/process in the best interests of the game and trainee umpire. This should only be done in circumstances where the trainee umpire is 'out of their depth' and in danger of being overwhelmed by the situation. The trainee umpire may seek advice from the 'mentor' at any time during a match.

ACKNOWLEDGE AND ACCEPTANCE

Where a person is reported for an offence under the parameters contained within this document, he/she may desire to accept the automatic penalty (as prescribed within penalties) without a hearing or appeal. The person must acknowledge written acceptance of the incident and the resulting penalty. The SQI Commissioner must receive this notification no later than 24 hours following advice of the Commissioner's decision regarding the offence and accompanying penalty.

In these cases the penalty will be halved with the exception of Category P6 which remains unchanged, P2 which remains at 1 game and P4 the penalty will be reduced to 2 games.

APPEAL

Appeals against penalties must be lodged and handled in accordance of SQI Rule 14. A person will remain suspended until the appeal against such finding has been adjudicated upon.

SERVING OF PENALTIES

Penalties apply to the next match/s which the offender would otherwise normally have participated in regardless of level of competition. This includes when a person is dual registered within one association, plays in more than one association (home association and permit association/s) and includes SQI/District Association representation.

Penalties not completed by the end of the current playing season shall carry over to the next and if necessary, to a subsequent playing season.

TRANSFER OF PENALTIES

Any penalty invoked by SQI or a member District Association is transferable to another. Where a player clears, transfers or permits to another State or District Association, a check must be completed on existing penalties during the clearance/transfer/permit process to ascertain any outstanding penalties/suspensions. Any portion of a penalty NOT served at one association will be deemed to apply to the next association and the person under suspension must not be permitted to participate until the full suspension has been served. ***Penalty: An additional eight (8) match suspension on the offending person/s, \$500 fine on the District Association and \$500 fine on the club, plus forfeiture of the game/s points, which knowingly permits a person to participate whilst under suspension.*** Note: SQI office to notify District Associations of multiple match suspensions.

REGISTER OF SUSPENSIONS/PENALTIES

The SQI Commissioner, SQI Database Manager and each District Association must maintain a register of penalties or suspensions which is to detail the persons full name and address, the category of offence, penalty invoked, the date invoked and the date penalty will be served out.

A persons' record will be cleared after the following time has been served:

- | | |
|-----------------------------------|--|
| 1. Suspension from 0 – 4 matches | 1 year from completion of last penalty served |
| 2. Suspension from 6 – 12 matches | 2 years from completion of last penalty served |
| 3. Suspension for 1 year | 5 years from completion of last penalty served |

If a person re-offends after his/her record has been cleared, it will be reactivated from the time the new penalty is applied.

Note: A persons' file on the register will remain active for all time.

UNFAIR ACTION

Where an official or umpire has, in the opinion of the coach, team or club official, not adjudicated or administered fairly then a complaint may be lodged with SQI for investigation and, if necessary, further action. The SQI General Manager will appoint an independent person to conduct the investigation.

FRIVOLOUS OR MALICIOUS COMPLAINTS

Upon investigation of a complaint, should the person conducting the complaint find that it is frivolous, a warning will be given in the first instance. If a complaint is deemed to be malicious the person making the complaint shall be brought to appear before the SQI Tribunal.
